¶99.12 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mrs. SCHROEDER:

At the end of subtitle B of title XXVIII of the bill, add the following new section:

SEC. 2819. EXPANSION OF BASE CLOSURE LAW TO INCLUDE CONSIDERATION OF MILITARY INSTALLATIONS OUTSIDE THE UNITED STATES FOR CLOSURE AND REALIGNMENT.

(a) EXPANSION OF SCOPE OF BASE CLOSURE LAW.—The Defense Base Closure and Realignment Act of 1990 (Part A of title XXIX of Public Law 101-510; 10 U.S.C. 2687 note) is amended—

(1) by redesignating sections 2910 and 2911 as sections 2911 and 2912, respectively; and

(2) by inserting after section 2909 the following new section:

“SEC. 2910. CONSIDERATION OF MILITARY INSTALLATIONS OUTSIDE THE UNITED STATES.

“(a) RECOMMENDATIONS FOR TERMINATION AND REDUCTIONS OF MILITARY OPERATIONS OUTSIDE THE UNITED STATES.—With respect to recommendations made in 1995 for the closure and realignment of military installations under this part, the Secretary and the Commission shall include recommendations for the termination and reduction of military operations carried out by the United States at military installations outside the United States.

“(b) SELECTION CRITERIA.—(1) Not later than December 31, 1993, the Secretary shall publish in the Federal Register and transmit to the congressional defense committees the criteria proposed to be used by the Department of Defense in making recommendations for terminating and reducing military operations carried out by the United States at military installations outside the United States. The Secretary shall provide an opportunity for public comment on the proposed criteria for a period of at least 30 days and shall include notice of that opportunity in the publication required under the preceding sentence.

(2) Not later than February 15, 1994, the Secretary shall publish in the Federal Register and transmit to the congressional defense committees the final criteria to be used in making recommendations for terminating and reducing military operations carried out by the United States at military installations outside the United States.

“(3) The criteria developed under this subsection, along with the force-structure plan referred to in section 2903(a), shall be the final criteria to be used in making recommendations for terminating and reducing military operations carried out by the United States at military installations outside the United States, unless the criteria are—

“(A) disapproved by a joint resolution of Congress enacted on or before March 15, 1994; or

“(B) amended by the Secretary in the manner described in section 2903(b)(2)(B).

“(c) RECOMMENDATIONS OF THE SECRETARY.—The Secretary shall transmit recommendations to the Commission for the termination and reduction of military operations of the United States at specified military installations outside the United States. The recommendations shall be included in the recommendations transmitted to the Commission with respect to the closure and realignment of military installations inside the United States under section 2903(c).

“(d) REVIEW AND RECOMMENDATIONS BY COMMISSION.—The Commission shall review the recommendations transmitted by the Secretary under subsection (c). The Commission may make changes in the recommendations made by the Secretary only in the manner provided in subparagraphs (B), (C), and (D) of section 2903(d)(2). The Commission shall include, in its recommendations to the President under section 2903(d), its recommendations for the termination and reduction of military operations of the United States at specified military installations outside the United States.

“(e) REVIEW AND TRANSMITTAL BY THE PRESIDENT.—The recommendations transmitted by the President under section 2903(e) shall contain the recommendations of the Commission for the termination and reduction of military operations of the United States at specified military installations outside the United States.”

(b) EFFECT OF FAILURE TO INCLUDE SUFFICIENT OVERSEAS INSTALLATIONS.—Section 2903 of such Act is amended by adding at the end the following new subsection:

“(f) FAILURE TO INCLUDE SUFFICIENT OVERSEAS INSTALLATIONS.—(1) In the case of the recommendations of the Commission required to be transmitted to the Congress in 1995 pursuant to subsection (e), if the closure or realignment of military installations outside the United States does not account for at least 25 percent of the closure and realignment recommendations of the Commission, as certified by the Commission under paragraph (2), then the process by which military installations may be selected for closure or realignment under this part with respect to that year shall be terminated.

“(2) In determining whether the percentage specified in paragraph (1) is satisfied, the Commission shall calculate such percentage both in terms of—

“(A) the number of military installations outside the United States recommended for closure or realignment as a percentage of the total number of military installations recommended for closure or realignment that year; and

“(B) the number of military personnel and civilian employees of the Department of Defense stationed or employed outside the United States directly affected by the recommendations as a percentage of the total number of military personnel and civilian employees of the Department of Defense directly affected by the recommendations.”

(c) CONFORMING AMENDMENTS.—(1) Subsection (b) of section 2901 of such Act is amended to read as follows:

“(b) Purpose.—The purpose of this part is to provide a fair process that will result in the timely closure and realignment of military installations inside and outside the United States.”

(2) Section 2911 of such Act, as redesignated by subsection (a)(1), is amended—

(A) in paragraph (4), by inserting after the first sentence the following new sentence: “With respect to military operations carried out by the United States outside the United States, such term includes the sites and facilities at which such operations are carried out without regard to whether the sites and facilities are owned by the United States.”; and

(B) by adding at the end the following new paragraph:

“(8) The terms ‘closure’ and ‘realignment’ include, with respect to military operations carried out by the United States outside the United States, the termination or reduction of such operations.”

199.14 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment, as modified, submitted by Mrs. LLOYD:

At the end of title X (page 346, after line 23), insert the following new sections:

SEC. 1043. SHARING DEFENSE BURDENS AND RESPONSIBILITIES.

(a) FINDINGS.—Congress makes the following findings:

(1) Since fiscal year 1985, the budget of the Department of Defense has declined by 34 percent in real terms.

(2) During the past few years, the United States military presence overseas has declined significantly in the following ways:

(A) Since fiscal year 1986, the number of United States military personnel permanently stationed overseas has declined by almost 200,000 personnel.

(B) From fiscal year 1989 to fiscal year 1994, spending by the United States to support the stationing of United States military forces overseas will have declined by 36 percent.

(C) Since January 1990, the Department of Defense has announced the closure, reduction, or transfer to standby status of 840 United States military facilities overseas, which is approximately a 50 percent reduction in the number of such facilities.

(3) The United States military presence overseas will continue to decline as a result of actions by the executive branch and the following initiatives of the Congress:

(A) Section 1302 of the National Defense Authorization Act for Fiscal Year 1993, which required a 40 percent reduction by September 30, 1996, in the number of United States military personnel permanently stationed ashore in overseas locations.

(B) Section 1303 of the National Defense Authorization Act for Fiscal Year 1993, which specified that no more than 100,000 United States military personnel may be permanently stationed ashore in NATO member countries after September 30, 1996.

(C) Section 1301 of the National Defense Authorization Act for Fiscal Year 1993, which reduced the spending proposed by the

Department of Defense for overseas basing activities during fiscal year 1993 by \$500,000,000.

(D) Sections 913 and 915 of the National Defense Authorization Act for Fiscal Years 1990 and 1991, which directed the President to develop a plan to gradually reduce the United States military force structure in East Asia.

(4) The East Asia Strategy Initiative, which was developed in response to sections 913 and 915 of the National Defense Authorization Act for Fiscal Years 1990 and 1991, has resulted in the withdrawal of 12,000 United States military personnel from Japan and the Republic of Korea since fiscal year 1990.

(5) In response to actions by the executive branch and the Congress, allied countries in which United States military personnel are stationed and alliances in which the United States participates have agreed in the following ways to reduce the costs incurred by the United States in basing military forces overseas:

(A) Under the 1991 Special Measures Agreement between Japan and the United States, Japan will pay by 1995 almost all yen-denominated costs of stationing United States military personnel in Japan.

(B) The Republic of Korea has agreed to pay by 1995, one-third of the won-based costs incurred by the United States in stationing United States military personnel in the Republic of Korea.

(C) The North Atlantic Treaty Organization (NATO) has agreed that the NATO Infrastructure Program will adapt to support post-Cold War strategy and could pay the annual operation and maintenance costs of facilities in Europe and the United States that would support the reinforcement of Europe by United States military forces and the participation of United States military forces in peacekeeping and conflict prevention operations.

(D) Such allied countries and alliances have agreed to more fully share the responsibilities and burdens of providing for mutual security and stability through steps such as the following:

(i) The Republic of Korea has assumed the leadership role regarding ground combat forces for the defense of the Republic of Korea.

(ii) NATO has adopted the new mission of conducting peacekeeping operations and is, for example, providing land, sea, and air forces for United Nations efforts in the former Yugoslavia.

(iii) The countries of western Europe are contributing substantially to the development of democracy, stability, and open market societies in eastern Europe and the former Soviet Union.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the forward presence of United States military personnel stationed overseas continues to be important to United States security interests;

(2) that forward presence facilitates efforts to pursue United States security interests on a collective basis rather than pursuing them on a far more costly unilateral basis or receding into isolationism;

(3) the bilateral and multilateral arrangements and alliances in which that forward presence plays a part must be further adapted to the security environment of the post-Cold War period;

(4) the cost-sharing percentages for the NATO Infrastructure Program should be reviewed with the aim of reflecting current economic, political, and military realities and thus reducing the United States cost-sharing percentage; and

(5) the amounts obligated to conduct United States overseas basing activities should decline significantly in fiscal year 1994 and in future fiscal years as—

(A) the number of United States military personnel stationed overseas continues to decline; and

(B) the countries in which United States military personnel are stationed and the alliances in which the United States participates assume an increased share of United States overseas basing costs.

(c) **REDUCING UNITED STATES OVERSEAS BASING COSTS.**—(1) In order to achieve additional savings in overseas basing costs, the President should—

(A) continue with the reductions in United States military presence overseas as required by sections 1302 and 1303 of the National Defense Authorization Act for Fiscal Year 1993; and

(B) intensify his efforts to negotiate a more favorable host-nation agreement with each foreign country to which this paragraph applies under paragraph (3)(A).

(2) For purposes of paragraph (1)(B), a more favorable host-nation agreement is an agreement under which such foreign country—

(A) assumes an increased share of the costs of United States military installations in that country, including the costs of—

(i) labor, utilities, and services;

(ii) military construction projects and real property maintenance;

(iii) leasing requirements associated with the United States military presence; and

(iv) actions necessary to meet local environmental standards;

(B) relieves the Armed Forces of the United States of all tax liability that, with respect to forces located in such country, is incurred by the Armed Forces under the laws of that country and the laws of the community where those forces are located; and

(C) ensures that goods and services furnished in that country to the Armed Forces of the United States are provided at minimum cost and without imposition of user fees.

(3)(A) Except as provided in subparagraph (B), paragraph (1)(B) applies with respect to—

(i) each country of the North Atlantic Treaty Organization (other than the United States); and

(ii) each other foreign country with which the United States has a bilateral or multilateral defense agreement that provides for the assignment of combat units of the Armed Forces of the United States to permanent duty in that country or the placement of combat equipment of the United States in that country.

(B) Paragraph (1) does not apply with respect to—

(i) a foreign country that receives assistance under section 23 of the Arms Export Control Act (22 U.S.C. 2673) (relating to the foreign military financing program) or under the provisions of chapter 4 of part II of the Foreign Assistance Act of 1961 (22 U.S.C. 2346 et seq.); or

(ii) a foreign country that has agreed to assume, not later than September 30, 1996, at least 75 percent of the nonpersonnel costs of United States military installations in the country.

(d) **OBLIGATIONAL LIMITATION.**—(1) The total amount appropriated to the Department of Defense for Military Personnel, for Operation and Maintenance, and for military construction (including NATO Infrastructure) that is obligated to conduct overseas basing activities during fiscal year 1994 may not exceed \$16,915,400,000 (such amount being the amount appropriated for such purposes for fiscal year 1993 reduced by \$3,300,000,000).

(2) For purposes of this subsection, the term "overseas basing activities" means the activities of the Department of Defense for which funds are provided through appropriations for Military Personnel, for Operation and Maintenance (including appropriations

for family housing operations), and for military construction (including family housing construction and NATO Infrastructure) for the payment of costs for Department of Defense overseas military units and the costs for all dependents who accompany Department of Defense personnel outside the United States.

(e) **ALLOCATIONS OF SAVINGS.**—Any amounts appropriated to the Department of Defense for fiscal year 1994 for the purposes covered by subsection (d)(1) that are not available to be used for those purposes by reason of the limitation in that subsection shall be allocated by the Secretary of Defense for operation and maintenance and for military construction activities of the Department of Defense at military installations and facilities located inside the United States.

SEC. 1044. BURDENSARING CONTRIBUTIONS FROM DESIGNATED COUNTRIES AND REGIONAL ORGANIZATIONS.

(a) **IN GENERAL.**—Section 1045 of the National Defense Authorization Act for Fiscal Years 1992 and 1993 (Public Law 102-190; 105 Stat. 1465) is amended—

(1) in subsection (a)—

(A) by striking out "During fiscal years 1992 and 1993, the Secretary" and inserting in lieu thereof "The Secretary"; and

(B) by striking out "Japan, Kuwait, and the Republic of Korea" and inserting in lieu thereof "any country or regional organization designated for purposes of this section by the Secretary of Defense"; and

(2) in subsection (f)—

(A) by striking out "each quarter of fiscal years 1992 and 1993" and inserting in lieu thereof "each fiscal-year quarter";

(B) by striking out "congressional defense committees" and inserting in lieu thereof "Congress"; and

(C) by striking out "Japan, Kuwait, and the Republic of Korea" and inserting in lieu thereof "each country and regional organization from which contributions have been accepted by the Secretary under subsection (a)".

(b) **CLERICAL AMENDMENT.**—The heading of such section is amended to read as follows:

"SEC. 1045. BURDENSARING CONTRIBUTIONS FROM DESIGNATED COUNTRIES AND REGIONAL ORGANIZATIONS."

SEC. 1045. MODIFICATION OF CERTAIN REPORT REQUIREMENTS.

(a) **BIENNIAL NATO REPORT.**—Section 1002(d) of the Department of Defense Authorization Act, 1985 (Public Law 98-525; 22 U.S.C. 1928 note), is amended—

(1) by striking out "(1) Not later than April 1, 1990, and biennially each year thereafter" and inserting in lieu thereof "Not later than April 1 of each even-numbered year";

(2) by redesignating subparagraphs (A) and (B) as paragraphs (1) and (2); and

(3) by striking out paragraph (2) (following the paragraph (2) designated by paragraph (2) of this subsection).

(b) **REPORT ON ALLIED CONTRIBUTIONS.**—Section 1046(e) of the National Defense Authorization Act for Fiscal Years 1992 and 1993 (Public Law 102-190; 105 Stat. 1467; 22 U.S.C. 1928 note) is amended—

(1) by striking out "and" at the end of paragraph (2);

(2) by striking out the period at the end of paragraph (3) and inserting in lieu thereof "; and"; and

(3) by adding at the end the following new paragraph:

"(4) specifying the incremental costs to the United States associated with the permanent stationing ashore of United States forces in foreign nations."

(c) **SENSE OF CONGRESS.**—(1) The Congress finds that the Secretary of Defense did not submit to Congress in a timely manner the report on allied contributions to the com-

mon defense required under section 1003 of the National Defense Authorization Act, 1985 (Public Law 98-525; 98 Stat. 2577), to be submitted not later than April 1, 1993.

(2) It is the sense of Congress that the timely submission of such report to Congress each year is essential to the deliberation by Congress concerning the annual defense program.

99.16 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. FRANK:

At the end of title X (page 346, after line 23), insert the following section:

SEC. 1043. ENFORCEMENT OF INCREASED HOST-NATION SUPPORT UNDER DEFENSE BURDENSARING AGREEMENTS.

(a) OVERALL AUTHORIZATION REDUCTION.—The total amount authorized to be appropriated by this Act for fiscal year 1994 is the sum of the separate authorizations contained in this Act for that fiscal year reduced by \$1,000,000,000.

(b) REDUCTION OF FUNDS FOR ACTIVITIES IN EUROPE.—Reductions in amounts authorized to be appropriated to the Department of Defense to achieve the overall reduction required by subsection (a) may be made only from funds for programs, projects, and activities for the support of United States forces assigned to or stationed in Europe.

The effect on those programs, projects, and activities of such reductions in amounts authorized to be appropriated may be accounted for through either or a combination of the following:

(1) Increases in the level of host-nation support due to agreements reached pursuant to section 1301(e) of the National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484; 106 Stat. 2544).

(2) Accelerated withdrawal of United States forces or equipment under the provisions of section 1302 and the amendment made by section 1303 of such Act (Public Law 102-484; 106 Stat. 2545).

(c) MAINTENANCE OF PRESENCE IN EUROPE.—To the extent that reductions required by subsection (a) are accounted for by accelerated withdrawal of United States forces as described in subsection (a)(2), the President is encouraged to enter into agreements with European member nations of the North Atlantic Treaty Organization for the short-term deployment of United States forces in such nations (in lieu of assignment to permanent duty in such nations) for joint training at military facilities that are paid for and maintained primarily by such nations.

(d) USE OF SAVINGS.—The savings realized as a result of the reductions for purposes of subsection (a) shall be allocated as follows:

(1) \$500,000,000 shall be used for reduction of the deficit.

(2) \$500,000,000 shall be used for defense conversion, reinvestment, and transition assistance programs under title XIII, of which—

(A) \$300,000,000 shall be used to increase funding for activities of the Department of Defense under chapter 148 of title 10, United States Code, and section 2197 of such title, as described in section 1311;

(B) \$40,000,000 shall be used to increase funding for community adjustment and economic diversification assistance under section 2391(b) of title 10, United States Code;

(C) \$60,000,000 shall be used to increase funding for the teacher and teacher's aide placement programs under section 1151 of title 10, United States Code;

(D) \$60,000,000 shall be used to increase funding for the law enforcement placement program under section 1152 of title 10, United States Code, and the health care provider placement program under section 1153 of such title, as added by section 1332;

(E) \$10,000,000 shall be used to increase funding for the program to provide demonstration grants to institutions of higher education to provide education and training in environmental restoration to dislocated defense workers and young adults, as established by section 1333;

(F) \$10,000,000 shall be used to increase funding for the demonstration program for the training of recently discharged veterans for employment in construction and in hazardous waste remediation, as established by section 1335; and

(G) \$20,000,000 shall be used to increase funding for the Service Members Occupational Conversion and Training Act of 1992 (subtitle G of title XLIV of Public Law 102-484; 106 Stat. 2768).

(e) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) The President should continue efforts to enter into revised host-nation agreements as described in section 1301(e) of National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484; 106 Stat. 2545) for purposes of providing that foreign countries assume an increased share of the costs of United States military installations in those countries and for the other purposes set forth in paragraph (2) of that section; and

(2) each host-nation agreement entered into pursuant to such section should require the host nation to increase its payments under the agreement at an annual rate of not

less than 15 percent per year so that the host nation assumes, not later than September 30, 1998, at least 75 percent of the non-personnel costs of United States military installations in that nation.
